

Peer Support Specialist:

Crossover Recovery Center (CRC) in Hildale Utah is looking for a FT (40 hours / week) Peer Support Specialist who is committed to CRC's vision of providing excellent relational psychotherapy and substance treatment services through a person centered lens. This position will have day-to-day responsibilities under the clinic director and is responsible for maintaining the quality of services our patients need to successfully complete the Crossover Recovery Center substance treatment program.

Primary Job Duties

- Act as a recovery coach in supporting client on-going recovery.
- Link clients with systems of care that provide them with resources, services and opportunities to improve their quality of life.
- Advocate for individuals who need assistance while encountering barriers in connecting with systems of care.
- Provide individual, family, and group skills using evidence based interventions to decrease symptoms and improve functioning. This is done in conjunction with the behavioral health therapist and/or prescriber.
- Assist with urinalysis (UA) of clients, when necessary.
- Maintain clinical documentation as required by agency standards.
- Coordinate with other staff and community agencies as needed to provide effective care.
- Participate in weekly staff meetings and regularly scheduled supervision.
- Assist clients in applying for social service benefits such as Medicaid, Medicare, disability, etc.
- Assist clients in finding employment and housing upon discharge.

Compensation

- \$15.00 per hour for candidates with a bachelors degree and without peer support specialist certification
- Candidates will receive a \$2.00 per hour increase upon completion of State of Utah Certified Peer Support Specialist training and must be working toward obtaining certificate.
- \$16.50 per hour + based on years of licensure for candidates with an active SSW or full SUDC license
