

CSW or SUDC

Crossover Recovery Center in Hildale Utah is looking for a FT (40 hours/week) CSW or SUDC who is committed to CRC's vision of providing excellent relational psychotherapy and substance treatment services through a person centered lens. LCSW is responsible for maintaining the quality of services our patients need to successfully treat their substance use disorder. This position will have day-to-day responsibilities under the clinic director and is responsible for maintaining the quality of services our patients need to successfully complete the Crossover Counseling substance treatment program.

We need a strong, passionate, and experienced clinician who is ready to share his/her gifts with our clients. Qualifications: Must have a minimum of an CSW or SUDC within the State of Utah.

Supervision available by Clinical Director.

Ideally, Crossover wants someone that can assist clinical staff with initial ASAM evaluations and ASAM training. Furthermore, has experience or the capacity to effectively run a weekly clinical team meeting, trains and supervises quality assurance of assessments, treatment plans and updates. Also, experience with documentation, quality control of documentation, and the ability to problem solve is a must. This candidate will assess the reliability and validity of treatment used and must have experience providing group therapy in a state licensed substance abuse facility.

In addition, this person must be able to complete a criminal history background check through the State of Utah and must be able to pass a drug test.
